

South Pike School District Action Plan Overarching Goals

1. Majority of schools will achieve Level 5 performance in the Mississippi Accountability System based on spring 2011 assessment data.
2. 94% of students will perform proficient or above in the four core subject areas based on the spring 2011 Mississippi State Assessments.
3. 75% of the 2008 freshmen cohort will graduate from high school in 2011 increasing thereafter by 2% annually.
4. 10% annual reduction in the suspension and expulsion rate with a total reduction of 40% by 2011.
5. 98% Average Daily Attendance for elementary and 95% Average Daily Attendance in all schools by the end of 2011.
